**INTEGRATE NAMED AS FINALIST IN  
2012 AMERICAN BUSINESS AWARDS<sup>SM</sup>**

***Company Recognized in Fastest Growing and Most Innovative Company Categories***

Scottsdale, AZ – May 10, 2012 – [Integrate](http://integrate.com) was named a Finalist in the categories of Fastest Growing Company and Most Innovative Company in The 2012 American Business Awards.

The American Business Awards are the nation's premier business awards program. All organizations operating in the U.S.A. are eligible to submit nominations – public and private, for-profit and non-profit, large and small.

More than 3,000 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories, including Most Innovative Company of the Year, Best New Product or Service of the Year, Fastest Growing Company, and Executive of the Year, among others. Integrate is nominated in the Fastest Growing Company category for up to 2,500 employees and the Most Innovative Company Category for up to 2,500 employees.

Integrate is a multi-channel performance marketing technology and solutions provider that is growing rapidly in 2012. The company was named Fastest Growing Company by the Business Excellence Awards in January, received Series B funding of \$11M in March and tripled the size of their corporate headquarters in May.

“Integrate is honored to be recognized by the American Business Awards again this year” says Integrate’s CEO Hart Cunningham. “To maintain significant revenue and employee growth and develop innovative technology, while providing industry-leading service for our clients, is a balance that is difficult to maintain. To be acknowledged alongside some of the strongest corporations in business today affirms that Integrate is getting it right.”

Finalists were chosen by more than 140 business professionals nationwide during preliminary judging in April and May. More than 150 members of 10 specialized judging committees will determine Stevie Award placements from among the Finalists during final judging, to take place May 14 - 25.
